Susana Mendoza Defeats Preckwinkle's Bogus Petition Challenge

*Toni Preckwinkle drops challenge after Mendoza proves well over the
12,500 verified signatures required to get on the ballot*

From Susana Mendoza for Mayor Campaign Manager Nicole DeMont:

"Today Susana's opponent decided to drop her bogus petition challenge that she knew was nothing more than an attempt at a self-coronation and a complete waste of nearly \$1 million in taxpayer dollars. The boss of the party bosses desperately tried to keep Susana out of the race and she failed. Despite what boss Preckwinkle hoped, there will be an election and voters will hold her accountable for her record of raising taxes first and providing transparency last. Her political games are exactly why Chicago needs a mayor focused on the next generation, instead of just the next four years."
